

Parental consent

(required for visitors under 16 years of age)

TTÜ e-Sport Spring 2017 is held in the main and energetics house of Tallinn University of Technology 14-16.aprill. The event is allday long. The organizer of the event is the Student Council of IT Faculty of Tallinn University of Technology. The organizers do not take any responsibility of the participants and do not supervise them.

If your child breaks any laws stated by the Republic of Estonia or the house rules of the event (see Extra1), the organizers have the right to remove the participant from the event and send them home. If necessary, the police is also notified. If your child is removed from the event, the organizers will contact you via phone call. Irrespective of the time of day, you have the responsibility to arrange your child's transport home.

By signing this parental consent, you agree to allow your child participate at the event on their own responsibility and without supervision.

To be filled out by parent:

Name of child: _____

Name of parent/adult supervisor: _____

Contact phone of parent/adult supervisor: _____

Date: _____

Signature of parent/adult supervisor: _____
